./LICENSE            SPLIB License Information        (RBAB 8/2/95)
**********************************************************************

      This file is a REQUIRED part of the SPLIB package.

The SPLIB software is *not* in the public domain.  However, it
is freely available without fee for education, research, and
non-profit purposes.  By obtaining copies of this and other files that
comprise the SPLIB environment, you, the Licensee, agree to
abide by the following conditions and understandings with respect to
the copyrighted software:

1.  The software is copyrighted by Indiana University (IU) and it retains
ownership of the software.

2.  Permission to use and modify this software and its documentation
for education, research, and non-profit purposes is hereby granted to
Licensee, provided that the copyright notice, the original author's
names and unit identification, and this permission notice appear on
all such works, and that no charge be made for such copies.
Any entity desiring permission to incorporate this software into
commercial products should contact:

         Randall Bramley                          bramley@cs.indiana.edu
         215 Lindley Hall
         Department of Computer Science
         Indiana Univerity
         Bloomington, IN  47401
         USA

3.  Licensee may not use the name, logo, or any other symbol of
Indiana University nor the names of any of its employees nor any adaptation
thereof in advertizing or publicity pertaining to the software without
specific prior written approval of Indiana University.

4.  Indiana University MAKES NO REPRESENTATIONS ABOUT THE SUITABILITY OF
THE SOFTWARE FOR ANY PURPOSE.  IT IS PROVIDED "AS IS" WITHOUT EXPRESS OR
IMPLIED WARRANTY.

5.  Indiana University shall not be liable for any damages suffered by
```

Licensee from the use of this software.

6. The software was developed under agreements between Indiana University and the Federal Government which entitle the Government to certain rights.

7. The package includes slightly modified components from other researchers, who retain copyright and licensing rights on their work. This includes:

```
        readmt3.f  (Yousef Saad, SPARSKIT project)
        getdia.f   (Yousef Saad, SPARSKIT project)
        ilut.f     (Yousef Saad, SPARSKIT project)
        memory.f   (Dominique Pelletier, CADYF project)
        dlamch.f   (J. Dongarra, LAPACK project)
        gmres1.f   (R. Barrett et al, TEMPLATES project)
        bicgs.f    (R. Barrett et al, TEMPLATES project)
```
